E-mail: \_\_\_\_\_

**Substitutions & Cancellations:** As preparation for the programme involves careful reading of the programme text and the completion and return of questionnaires beforehand, we wish to discourage substitution of enrolments. If this is necessary we request that it be done no later than 10 working days before the start date and that Leadership Solutions be notified at the same time. Should the need arise for a participant to withdraw from this programme and a suitable substitution cannot be organised, we will refund the full receipted fee if notified in writing one calendar month before the programme commences. Up until 10 working days prior to the programme starting, Leadership Solutions will refund the payment received, less venue and administration costs. Any notification received inside these 10 working days will not receive a refund unless the programme registrar can fill the vacancy from the programme waiting list.
